

# The Importance of **Atheism**

An evening, hosted by the Warwick Atheists Society, of talks given by atheist students on Campus, on topics such as:

- Persecution and atheism
- Religious repression of sexuality
- The maltreatment of women by religion
- And lots more...

If you're sick and tired of hearing "it's my faith" used as a smokescreen for ridiculous viewpoints, come and take a look at what we have to say.

**Wednesday, March 12, 2008**

**3pm - 7pm**

**R0.3/4**

It's time to take out the trash.
